

City of London School Pupil Supervision Policy

1. Introduction

- 1.1 The School is fully committed to ensuring the safety and proper supervision of all pupils throughout the school day and at all other times when pupils are under the care of the School, both on and off the School site.
- 1.2 This policy gives details of how the School makes provision for the proper supervision of pupils, and should be read in conjunction with the following policies:
- Educational Visits Policy
 - Health and Safety Policy, [Security Policy and Fire Safety Policy](#)
 - First Aid Policy and Medicines and Medical Conditions Policy
 - Attendance and Registration Policy [and the Games Travel and Registration Policy](#) (which cover the procedures related to absence)
 - [Behaviour Policy](#)
- 1.3 This policy has regard to Part 3 (Welfare, health and safety of pupils), Paragraph 14 (Supervision) of the Independent School Standards Regulations.

2. Contacting the School during the school day

- 2.1 The School's Reception desk and switchboard is manned during the school day from 7.30am until [7.30pm](#) in term time. The receptionists will answer phone calls, respond to emails, pass on messages to pupils and staff and deal with enquiries from visitors during this time. At other times, messages may be left on the School answer phone or staff may be contacted by email.

3. Pupils' arrival before school, and Registration

- 3.1 The School opens at 7.15am for pupils participating in an activity organised and supervised by a member of staff. Pupils may enter via the Sports Ramp. Pupils participating in activities must report to the organising member of staff.
- 3.2 The School opens at 7.30am for all other pupils: **[pupils may not enter the School before this time unless they are participating in an activity organised and supervised by a member of staff.](#)** Pupils may enter via the Sports Ramp or via Reception. The Sports Ramp entrance is open between 7.15am and 8.45am and is manned by members of the Keeper

and Security staff who monitor entry and provides security. Reception is manned by a receptionist from 7.30am (see above).

- 3.3 Pupils may contact the Receptionist or the Keeper and Security staff on duty at the Sports Ramp between 7.30am and 8.45am in the event of an emergency.
- 3.4 During Registration, Tutor time and Assembly time members of staff who are not tutors are on duty in Reception and patrolling the school. Full details of these duties are given in [Appendix 1: Non-tutor duties](#).

4. During the school day

4.1 Registration

All pupils are registered at 8.45am and 1.50pm, as outlined in the [Attendance and Registration Policy](#). If pupils are late arriving to School, they should sign in at Reception before attending their Tutor Period or Assembly or joining their classes as appropriate.

Instructions for parents about how to inform the School of a child's absence before morning registration are set out in the [Attendance and Registration Policy](#) and are reproduced in the School Diary / Calendar (CalFix). If a pupil is absent without explanation, their parents will be contacted to ascertain the reason for their absence. If the School is unable to contact the missing child's parents, we will follow the procedures set out in the [Attendance and Registration Policy](#).

4.2 In lessons and moving around the School

Pupils wishing to leave a lesson for any reason must ask permission from the member of staff in charge:

- [Pupils are not normally permitted to leave lessons or tutor periods on their own, except briefly and for good reason](#)
- Pupils are allowed to leave during lessons to use the toilets, but they are encouraged to wait for the end of the lesson.
- In the case of younger pupils, if they need to see the School Nurse the teacher may arrange for them to be escorted by another pupil.
- In certain medical situations pupils may be allowed to leave the classroom at will; staff are made aware of particular arrangements in relation to individual pupils.

It is not normal practice for a pupil to be sent out of class for bad behaviour. Very rarely, it may be in a pupil's best interest or in the interests of the rest of the class for a pupil to be sent out of a lesson because they are interrupting the learning of others or because they are upset. When this occurs, the teacher will send the pupil to wait outside the office of the [Pastoral and Wellbeing Advisor, the Deputy Head \(Pastoral\)](#) or the Senior Deputy Head, where there is always an adult presence. The Teacher will take steps to inform the Form Tutor, Head of Year, [Head of Section, Deputy Head \(Pastoral\)](#) or Senior Deputy Head as soon as possible that the pupil has been sent out of class.

4.3 Private Study periods

Most Sixth Form pupils have regular private study periods and are expected to use their private study time profitably, working in the Sixth Form Common Room or the Library. Sixth

Form pupils' use of non-contact time is monitored by their Tutors and the Head of Sixth Form as part of the overall monitoring of their academic progress. Sixth Form pupils who have no lessons after lunch and whose work is of an appropriate standard may be granted a private study afternoon, for which they may sign out and leave School.

4.4 **Teacher absence from lessons**

In the case of teacher absence, lessons in OG to Fifth Form are always covered by another teacher. Lessons in the Sixth Form are not usually covered for short-term teacher absence.

4.5 **Outside Lesson time**

All members of the teaching staff take their share of supervisory duties according to a rota (which is made available to staff via the staff intranet).

At break and lunchtime members of staff are on duty in the dining room and patrolling the premises. Full details of these duties are given in [Appendix 2: Staff Duties](#).

Prefects support some of these staff duties, as described in [Appendix 3: Prefect Duties](#).

4.6 **The Sports Ramp**

The Sports Ramp is open for pupil use before school (7.30-8.45am), during lunch (12.50-1.50pm) and after school (4.00-5.00pm). **The Sports Ramp may only be used when it is supervised by a School Keeper, and it is to be closed and locked at all other times.**

4.7 **Medical Assistance**

The School Nurse is on duty throughout the school day from 8.30am until 4.30pm. If the Nurse cannot be found in the medical room (e.g. because they are attending to someone elsewhere in the building) they may be contacted via Reception.

A number of members of the teaching and support staff are First Aid trained and can also assist sick or injured pupils when necessary¹. First Aiders may be called by going to Reception. First aid boxes are located in all potentially high-risk areas around the School, as well as in the medical room. [Staff who have not been trained in First Aid or other medical procedures are still expected to behave reasonably in the event of an emergency, e.g. by calling the emergency services immediately and informing \(or arranging to inform\) the parent / career of the pupil concerned.](#)

Further information is available in the First Aid Policy.

5. **Changing Rooms and Toilets**

- 5.1 [Staff may enter the pupils' changing rooms and toilets for the purpose of 'respectful supervision'. Before entering the changing room / toilet, staff must announce their intention to enter by knocking loudly on the door and shouting at a decent volume that they are about to enter. Where possible, a member of staff entering a changing room / toilet should be accompanied by another member of staff.](#)

¹ Lists of First Aiders are posted on the medical room door, in the staffroom, at other locations around the School, and on the intranet.

- 5.2 Respectful supervision is defined by warning the pupils of entry and averting eyes from any pupils in a state of undress, the intention being to monitor standards of behaviour. In so doing, staff may remain in the changing room / toilet for a maximum of five minutes.

6. Pupils' departure and the period after school

- 6.1 For all pupils, the arrangements for departure at the end of the school day are:
- Pupils may work anywhere in School until 5.00pm.
 - Pupils may work **only** in the Library 5.00-6.00pm. The Library will be supervised by a member of the Library staff.
 - **Only pupils that are participating in a School-led activity organised and supervised by a member of staff may stay after 6.00pm.** The member of staff organising the activity will be responsible for the supervision of those pupils, including ensuring that those pupils have departed from the School at the end of the activity.
 - It is normally expected that all activities will be concluded, and pupils will be off site, by 7.00pm. Where an activity needs to continue beyond that time the Reception and School facilities staff should be notified.
- 6.2 The Sports Ramp may be used by pupils to depart after school it is manned 4.00-5.00pm. Thereafter, departure is only via the main Reception, which is manned until 7.30pm.
- 6.3 It is our expectation that pupils will make their own way home following any after-school activities.

7. Supervision whilst travelling to and from school

- 7.1 Parents are responsible for ensuring that their children travel safely to and from School.

8. Supervision of pupils during off-site activities and Educational Visits

- 8.1 When pupils are involved in authorised activities off-site, potential risks must have been identified, and control mechanisms devised, through risk assessment procedures prior to the visit. Appropriate emergency procedures must also have been identified and be known by the staff supervising the activity.
- 8.2 The ratio of supervising adults to participating pupils will always accord with DfE guidelines, as set out in the policy.
- 8.3 Details of the arrangements for the supervision of pupils on Educational Visits are set out in the school's Educational Visits Policy.

9. Areas restricted and out of bounds to Pupils

- 9.1 The School tries to ensure that pupils do not have unsupervised access to potentially dangerous areas, such as the science laboratories, the gym, the pool, the kitchens and the rooves. Clear signs are displayed where pupils may not enter a room and, where possible, doors to these areas are kept locked when not in use. All flammable materials and chemicals are kept securely locked in appropriate storage facilities.
- 9.2 Details of these and other areas which pupils must not enter unsupervised, and equipment they may not use except under adult supervision, are set out in the [School Standards \(Rules and Regulations\)](#).
- 9.3 Pupils are expected to follow instructions given to them by School staff, including instructions (written or verbal) which state that an area should not be accessed.
- 9.4 Pupils who access unauthorised areas may be sanctioned as outlined in the Behaviour Policy.

10. Security and Access Control

- 10.1 All staff and pupils must use their electronic Access Card to sign in and out when entering or leaving the premises. Sixth Form pupils, and Fifth Form pupils where such permission has been granted, who leave the School site during the school day are also required to sign in and out at Reception.
- 10.2 Visitors are required to sign in and out at Reception and should be escorted at all times when in School. Contractors will be accompanied where necessary. During the school day entry to the building is via Reception only and entry beyond Reception into the main School is limited until a person's access has been approved and recorded.
- 10.3 Regulations and arrangements regarding security are set out in the School's Security Policy.

11. Physical contact with pupils

- 11.1 While it is unlawful to allow any form of restraint to be used as either a disciplinary action or punishment, it is permissible to use reasonable force in circumstances where:
- a pupil (or pupils) may injure themselves or others
 - good order may break down as result of the pupil's/pupils' behaviour
 - a criminal offence has been committed
- 11.2 As such, in the course of their supervision of pupils, staff may have cause to make physical contact with a pupil (or pupils). Any occasion where such force is used must be recorded and reported appropriately. Where an incident occurs where restraint is required, staff must remain cognisant of their duty of care to the pupils not taking part in the incident.
- 11.3 See the Physical Intervention and Restraint Policy for further information.

12. Staff Induction

- 12.1 All new members of staff with relevant supervisory responsibilities receive induction into the School's expectations of the appropriate levels of pupil supervision. Guidance is given about what to do when on duty outside normal lesson times and whilst on Educational Visits.

13. Review of Policy

- 13.1 This policy is reviewed annually prior to approval by the governors.

Appendix 1: Non-tutor duties

1.1 Staff who are not form tutors have additional duties during registration, tutorial and assembly time (8.45am to 9.10am), as allocated by the Senior Deputy Head in September.

1.2 **Late Duty (Reception)**

Between 8.45am and 9.10am each day the duty member of staff should be in the Reception area to assist the Receptionists with ensuring that pupils sign in to school appropriately and with keeping a record of pupils arriving late. The sheet to be filled in is provided by the Receptionist.

Staff should also ensure that proper school uniform is worn.

1.3 **Patrol of Levels 3 & 4**

The duty member of staff should patrol along the corridors on these levels) to ensure that pupils are in their Form Rooms or Assemblies (as appropriate) and that the corridors are orderly.

1.4 **Relief Tutors: Registration Cover**

Members of staff who are designated as 'relief tutors' may be called upon by the Senior Deputy Head to cover tutors who are absent. They are required to register the particular tutor group, and then to sit with the group during the tutor period or to ensure that the pupils concerned go to assembly where appropriate.

Usually the relevant Head of Year will first be chosen to cover an absent tutor, but thereafter any of the relief tutors may be used. Relief tutors should check the cover notice on the Common Room noticeboard before Registration each day.

Appendix 2: Staff duties

- 2.1 All staff share the general responsibility for seeing that the [School Standards \(Rules and Regulations\)](#) are upheld at all times: this includes the specific requirements on dress, litter, food and drink as well as the overall expectation for pupils to behave with courtesy, common sense, honesty and proper consideration for person and property.
- 2.2 Each member of the teaching staff ([including part-time staff](#)) does either one fixed duty per week (20 - 30 minutes) or is available for relief duty on one fixed day each week. It is not feasible to operate a system of exemptions or reductions based on other commitments. Duties for the year are allocated by the Senior Deputy Head in September, taking into account teaching timetables, and are reviewed periodically throughout the year. The duty rota is published on the [staff](#) intranet and is displayed on the Common Room noticeboard.
- 2.3 If a member of staff is absent on their duty day, they should alert the Senior Deputy Head so that a relief duty colleague can be substituted on that day.
- 2.4 **Top Playground**
The Top Playground is supervised during break and lunchtime by a member of staff. Staff should arrange for litter to be cleared and should be vigilant for smokers (the Senior Deputy Head should be informed immediately about any pupils who are found to be smoking). Staff should ensure that all pupils leave the Top Playground when the first bell goes (11.25am or 1.45pm) so that [both they and pupils](#) may arrive for lessons or afternoon registration on time.
A prefect will support this duty.
- 2.5 **Courtyard**
The Courtyard is supervised during break and lunchtime by a member of staff. The duty member of staff is required to be a permanent presence in the Courtyard [throughout the duration of their duty](#).
No senior pupils may play ball games in the Courtyard except basketball shooting practice. Pupils below the Fourth Form may play cricket. No pupils are allowed to play football or rugby.
- 2.6 **Level 3 Patrol and Level 4 Patrol**
Levels 3 and 4 are supervised during [morning registration / form time / assembly](#), break and lunchtime by a member of staff. The member of staff on duty should patrol the corridors of Levels 3 [and / or Level 4](#) (as appropriate), including the Junior School corridor, Junior School Hall [and North West staircase](#). Staff should check behaviour in rooms, enforce strictly the ban on eating, and see that these areas are kept free of litter.
For Level 3 Patrol, staff should additionally check the Middle School Games Room, the terraces overlooking the river, and the Computer Room (Room 306) and the Library.
- 2.7 **Tuck Shop (break only)**
The Tuck Shop is located in the Dining Room, at its west end (furthest away from the usual serving area). The Tuck Shop is supervised during break by a member of staff. The duty member of staff is required to control the queue. Staff should also ensure that pupils wear full School uniform in the Dining Room.
A prefect will support this duty.

2.8 Dining Room Patrol

The Dining Room is supervised during lunchtime by a member of staff. For this duty it is **essential** to arrive punctually. The member of staff on duty should ensure good order in the Dining Room, and in particular that used trays are cleared away and pupils leave the area tidy after use. Bags are not allowed in the Dining Room and staff should **instruct** pupils to remove them.

Any member of staff eating in the main section of the Dining Room is expected to support this duty.

2.9 Lunch Queue Patrol

The Lunch Queue is supervised during lunchtime by a member of staff. For this duty it is **essential** to arrive punctually. The member of staff on duty should ensure good order and a fair queueing system; the first half of the lunch hour, in particular, is a busy time in the queue. Bags must be stored on the racks not on the floor.

When the queue is quiet, the member of staff may assist the member of staff on Dining Room patrol.

A prefect will support this duty by monitoring the use of Access Cards to sign in for lunch at the terminal.

2.10 Games early-lunch Queue supervision

The Lunch Queue is supervised during the early lunch period (second half of Period 5) by a member of staff (**typically the relevant Head of Year or a member of staff who would otherwise have been teaching the relevant year-group**). For this duty it is **essential** to arrive punctually. The member of staff on duty should ensure good order and a fair queueing system; this, in particular, is a busy time in the queue as pupils attempt to take lunch promptly before departing for Games. Bags must be stored on the racks not on the floor.

Details of those year-groups which may take early lunch on a given day are given in the **School Standards (Rules and Regulations) and are displayed prominently in the Dining Room and queue areas**.

2.11 Sixth Form Common Room

The Head of Sixth Form and the Deputy Heads of Sixth Form are responsible for the supervision of the Sixth Form Common Room.

2.12 Relief Duty

On the day concerned, the member of staff on 'relief duty' should check for staff absences on the 'cover' section of **iSAMS** or the Common Room noticeboard. If another member of staff on duty that day is absent, the relief duty member of staff should cover this duty. Relief duty members of staff may be asked to cover one morning break duty **and** one lunchtime duty, as advised by the Senior Deputy Head.

2.13 Whole School Duty

One **or two** members of the School's Senior Management Team will be on duty each day. They will be responsible for checking that duties are being performed and for patrolling the School, particularly in the latter part of the lunch break.

From time to time, the whole-school duty SMT member may be required to stand at the Sports Ramp before school (8.00am to 8.45am) to monitor pupils' standards of behaviour and dress.

2.14 Any problems with the nature of a duty, a member of staff on duty, or a prefect on duty, should be reported to the Senior Deputy Head.

Appendix 3: Prefect duties

- 3.1 All Prefects share the general responsibility for seeing that the [School Standards \(Rules and Regulations\)](#) are upheld at all times: this includes the specific requirements on dress, litter, food and drink as well as the overall expectation for pupils to behave with courtesy, common sense, honesty and proper consideration for person and property.
- 3.2 Prefects have a duty rota which complements the staff duty rota. Members of staff are encouraged to work with their duty prefects as teams but should be aware that at certain times of the year (e.g. during the public examination periods or the peak university interviewing season) many Prefects are absent, and it may not be possible to cover some duties.
- 3.3 **Top Playground**
The Prefect on duty should spend most of their time in the Top Playground, but also include occasional visits to the outdoor area around the DVA building, the metal stairs to the Courtyard and the climbing wall area. Prefects should arrange for litter to be cleared.
- 3.4 **Computer Club**
The Prefect on duty in the Computer Rooms (Room 306 on Level 3 or, when necessary, the open-access area and Room W5 in the DVA block) should monitor pupils' behaviour and use of the computers. Inappropriate behaviour or use should be reported to the relevant Tutor, Head of Year, [Head of Section](#), the [Deputy Head \(Pastoral\)](#) or the Senior Deputy Head.
- 3.5 **Tuck Shop (break only)**
The Prefect on duty should ensure that pupils queue sensibly, that the floor is clear of bags, and that no litter is left. Pupils using the Dining Room at break should be asked to sit at the west end of the Dining Room (adjacent to the Tuck Shop) to aid effective supervision.
- 3.6 **Lunch Queue sign in (lunch only)**
For this duty it is **essential** to arrive punctually. The Prefect on duty should ensure good order and a fair queueing system by monitoring the use of Access Cards to sign in for lunch at the terminal; the first half of the lunch hour, in particular, is a busy time in the queue.
- 3.7 **Relief Duty**
On the day concerned, the Relief Duty Prefect should check for absences of other prefects due to perform a duty that day. If another prefect on duty that day is absent, the relief duty prefect should cover this duty. Relief duty prefects may be asked to cover one morning break duty or one lunchtime duty, as advised by the [member of Top 5 on 'whole school duty'](#) (see below).
- 3.8 **Whole School Duty**
One member of the 'Top 5' (the Head Boy and the Deputy Head Boys) will be on duty each day. They will be responsible for checking that a prefect is in place in the Tuck Shop, Computer Room(s) and Top Playground at break and that there are prefects in place in the Lunch queue, Computer Room(s) and the Top Playground at lunch. They should liaise with the Relief Duty Prefects to ensure that any absent prefects are covered. If a Prefect is not

present for his duty, the Duty Top 5 member should make a point of speaking to that Prefect to find out where he was.

- 3.9 Any problems with the nature of a duty or a prefect on duty (particularly repeated absences) should be reported to the Senior Deputy Head.
