

## **Chemistry Technician**

**Term-time only + 3 weeks, permanent contract**

**Starting salary £28,400 rising to £31,980 (Pro Rata) inclusive of London Weighting**

**Good employment benefits including competitive pension scheme**

The City of London School sits on the banks of the River Thames. It is an HMC independent boys' day school for ages 10–18, with over 920 boys. It is part of a family of schools owned and sponsored by the City of London Corporation.

Reporting to the Senior Chemistry Technician, the main purpose of this role is supplying daily teaching materials as required by staff and to ensure the maintenance of materials and equipment in the laboratories and preparation room to ensure their safe, efficient and effective use.

You will be working within a wider team of six technicians across the science department. The Chemistry department is a friendly and hardworking department of eight teachers and there are two technicians working within each science discipline.

Experience of working in a similar role and a science or science technician qualification is desirable.

If you feel you have the requisite skills to join our team then we'd love to hear from you.

**Closing Date Midday on 26 March**

**Interviews will be held on 29 of March**

To apply online, please visit - <https://jobs.cityoflondon.gov.uk/>

The City of London School is committed to safeguarding and promoting the welfare of children and applicants must be willing to undergo child protection screening appropriate to the post, including checks with past employers and the Disclosure and Barring Service.
